naclo16org@umich.edu

www.nacloweb.org

# Hey, other countries Win this cup The US has had it for 6 of the last 9 years and has had it for three years in a row. Give us a challenge!

International Linguistics Olympiad http://www.ioling.org

# NAACL support: Emerging Regions Fund 2x \$1500

- "Computational Semantics with Frames and Constructions" at the 9th International Conference on Construction Grammar (ICCG9)
  - Federal University of Juiz de Fora, Brazil
- Colombian national meeting of researchers in computational linguistics and corpus linguistics
  - Instituto Caro y Cuervo/Universidad Nacional de Colombia, Colombia
- Conference reports will be available from <a href="http://naacl.org/posts/index.html">http://naacl.org/posts/index.html</a>
- Record number of submissions! (11)

#### JSALT Summer School at JHU

- Scholarships of \$10k total, supporting 5 students
- 11 applications
- Awarded to students from US (2), Argentina (2), and Brazil (1)
- Priority to students from schools that don't already have strong NLP programs

### Over to Joel

Treasurer's report

# NAACL initiatives: Video recording

- NAACL 2016 is also being video recorded
  - Videos will be available on techtalks.tv mid-July
  - For long-term sustainability: seeking video sponsor
- Popularity of videos
  - Have you watched a video of a NAACL 2015 presentation?
  - Does the availability of videos affect your decision to attend the conference?

# NAACL initiatives: Best paper policy

- NAACL board voted to remove "best student paper" category
  - Overall number of papers recognized unchanged
  - Removes question of relative value of "best student paper" v. "best paper", given high prevalence of students authors on (best) papers
- Proposal currently under consideration:
  - Recognize "best new data source"
  - Other types of papers to recognize?

# Survey by Joel Tetreault and Fei Xia of NLP/CL researchers in Mexico & Central & South America

- Get feedback from Latin American researchers on what role, if any, NAACL should play in helping promote NLP in the region
- Gain an understanding of the backgrounds of the researchers in the region
- Develop an up-to-date mailing list of the community
- 129 respondents

- Strong interest in ties to research in US/Canada
- Idea: Workshop that brings US/ Canada researchers to location in region
- Idea: Shared tasks on processing of Spanish and Portuguese
- Idea: Financial support for researchers to attend (NA)ACL
- Full results of survey available soon

# NAACL initiatives: Improving START/softconf

- Please email thoughts, complaints, praise, bug reports, UI/UX ideas
- All perspectives welcome: submitting, reviewing, area chairing, general conference management
- Matt Post (post@cs.jhu.edu) will be in contact with the START developer
- Please share your experiences!

http://tinyurl.com/start-wishlist

# NAACL initiatives: Expanding the size of the board

- NAACL rules on who can fill various roles (esp Chair) leave us in a precarious position
- Our community has been growing
- Considering expanding the size of the board by one member
- Input?
- Look for an item on the ballot this fall

# Agenda

- NAACL financial support
- NAACL initiatives
- 2017 conference promos
- Open floor for discussion
